

MEMBERSHIP

WE ARE CONNECTED ACROSS HEALTHCARE. ARE YOU?

Become a member of Medilink North West and you become part of the largest Healthcare and related Life Sciences association in the UK, giving you access to expert support, services and events that will help your organisation grow to its full potential.

WHY CHOOSE US?

- Your own dedicated Client Relationship Manager
- Access to new funding opportunities and support on bids
- Access to an extensive network of Healthcare Technology businesses, clinicians and academics
- Discounted services, including PR & Marketing, International, Innovation and Events

Who are we?

We are a professional association dedicated to growing healthcare and related Life Sciences organisations.

What do we do?

We provide you with the opportunities and services you need to grow your organisation. With members at the heart of Medilink, our goal is to help you become more innovative, competitive and profitable - and our business goals are driven by the sector.

How do we do it?

Become a part of Medilink...

Through regular engagement and face-to-face support we help your organisation to reach its full potential, from opportunities to engage across the healthcare sector, funding support, innovation development, international trade and sector leading PR and communication services - we will help your organisation to grow.
